

Live Webinar: Stainless Solutions for Specialist Applications

<https://www.hepcotion.com/blog/latest-news/live-webinar-stainless-solutions-for-specialist-applications/>

Join our live webinar to find out more about Hepco's stainless steel solutions which have a proven success within many industries including pharmaceutical, medical, food and packaging. Find out more about these specialist applications and the benefits that the range of stainless steel products can offer. The 30 minute session will be followed by a question and answer session where you can ask about specific applications or products.

Join us at 10.30 BST on Thursday the 30th of July.
