

HepcoMotion®

ADVANCED LINEAR SOLUTIONS

**WORLD LEADERS IN
LINEAR MOTION**

hepcotion.com

THIS IS HEPCO

WE'RE PASSIONATE ABOUT LINEAR MOTION.

WE PIONEERED THE V GUIDE PRINCIPLE AND HAVE DEVELOPED IT SINCE 1969.

A FAMILY RUN INTERNATIONAL COMPANY, WE MEET THE DEMANDING NEEDS OF AUTOMATION WORLDWIDE BY COMMITTING TO OUR CORE VALUES:

EXPERTISE

Our long and successful history of manufacturing quality linear motion products provides you with the experience and support that you need.

p4

QUALITY & PRECISION

Products designed to survive the toughest conditions, while providing exceptional and repeatable precision.

p6

INNOVATION

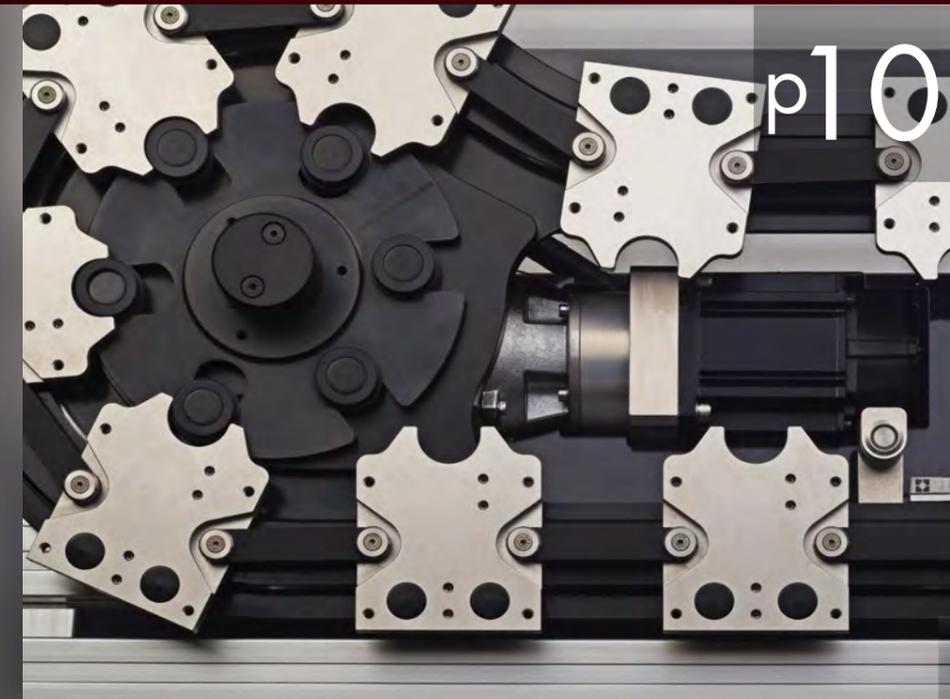

We constantly develop linear solutions for tomorrow's applications.

p8

RANGE

Products to meet practically any requirement from linear to circular and heavy duty to XYZ systems.

p10

SUPPORT

Our specialist applications teams provide attentive in field support focusing on your requirements.

p12

EXPERTISE

Qualified, experienced
& factory trained
engineering support

Sharing our knowledge and experience...

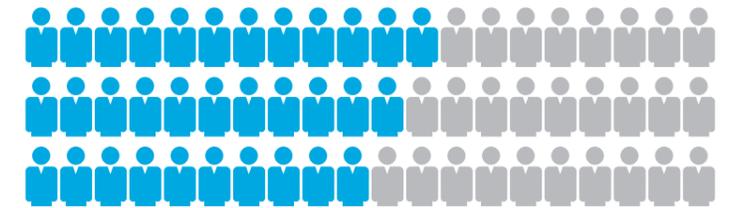

63 

Sell in to 63 countries

60 Sales engineers worldwide

425 employees globally

4000

Projects a year

Over 60,000m of track produced annually

75% of our business is export based

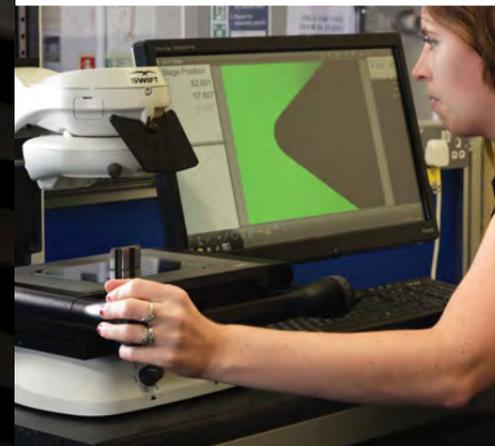

QUALITY & PRECISION

With global recognition for innovation, we focus on manufacturing linear products that deliver precision and quality.

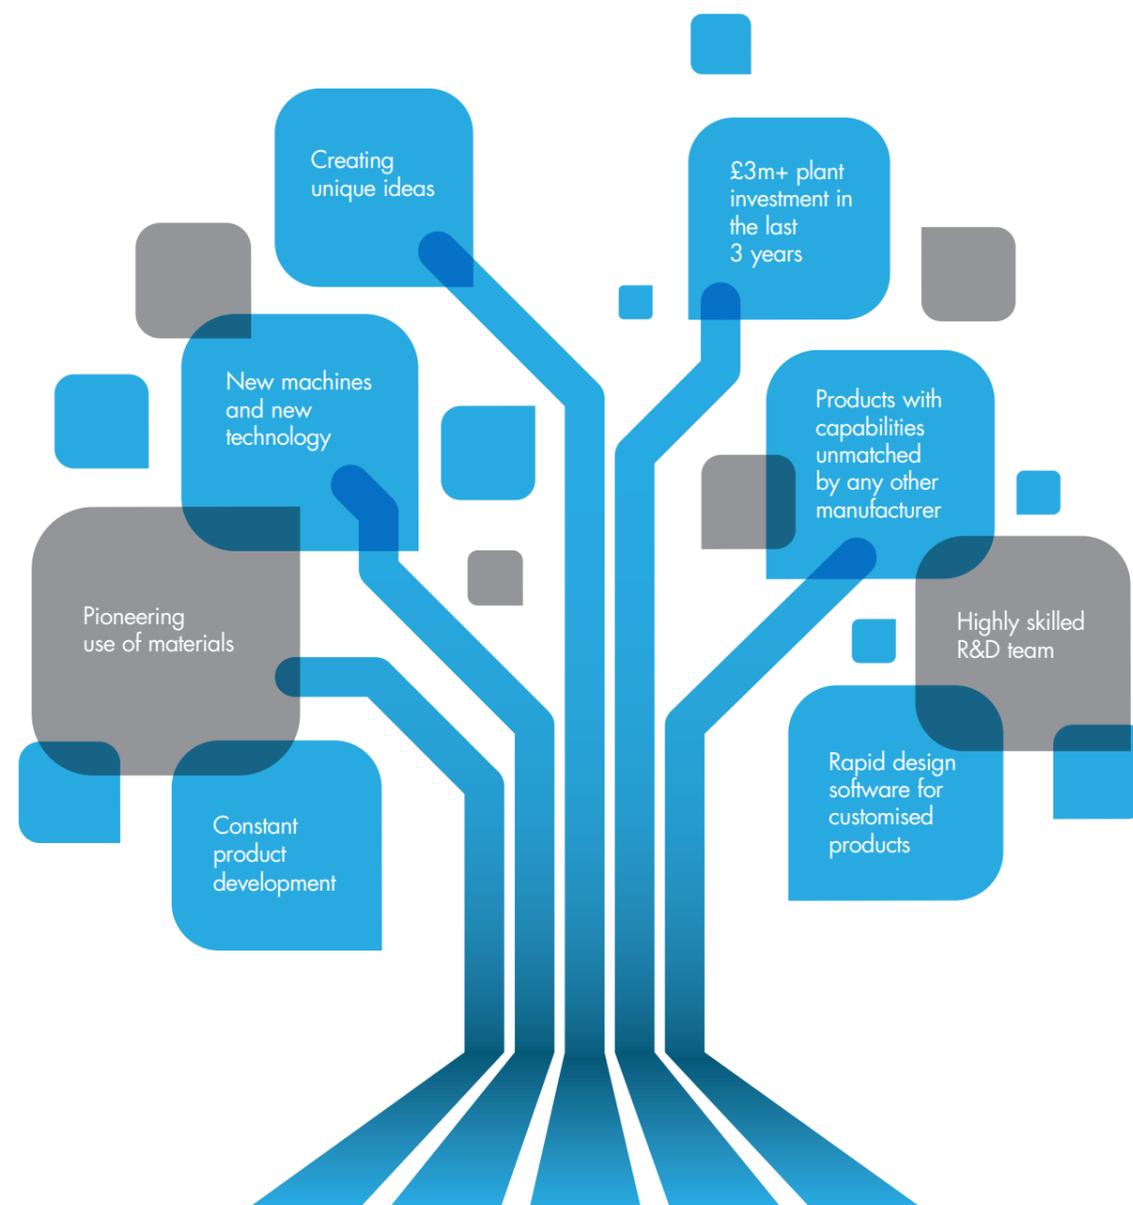

Products designed to survive the toughest conditions

INNOVATION

We invented the V guide and have spent the last 45 years developing and innovating...

Heritage of continued innovation in the world of linear motion

RANGE

Products to meet practically any requirement

We have a large range of Linear, Circular, Heavy Duty and XYZ systems as well as Actuators and Automation Solutions.

LINEAR MOTION

- Rack & pinion drive options
- Works without lubrication
- Works in harsh environments
- Adjustability: long life
- Vacuum & high temperature systems
- Available in stainless steel

CIRCULAR MOTION

- Track systems (oval or square)
- 360° rings up to Ø2000mm and beyond
- Ring segments of any angle available
- 'S' bends and limitless track shapes are possible
- Gear, belt and scroll drive options

XYZ SYSTEMS

- Pick & place systems
- Belt & ballscrew drive options
- Heavy load capacities
- High speed & high accuracy
- Cleanroom compatible systems

HEAVY DUTY SYSTEMS

- Loads up to 68Kn
- Gantry systems
- Integral rack drive option
- Belt & screw drive
- Roller bearings and flat tracks
- Aluminium beam mounting options
- Low maintenance lubrication systems

SUPPORT

Linear motion
specialists focused
on your application

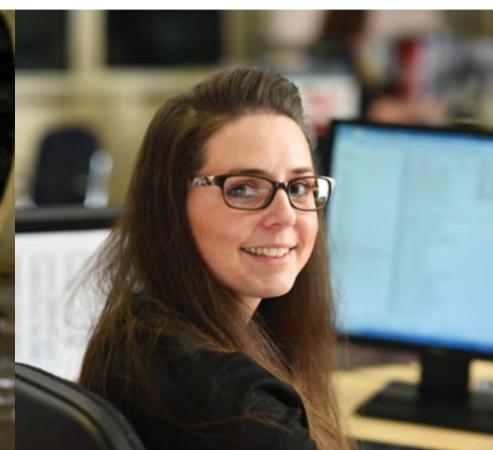

With a customer focused approach to every application, our worldwide support teams are here to help you select the right product every time.

INDUSTRY SOLUTIONS

We serve a huge range of industries around the globe. Here are some examples of just a few of them:

PACKAGING

NUCLEAR

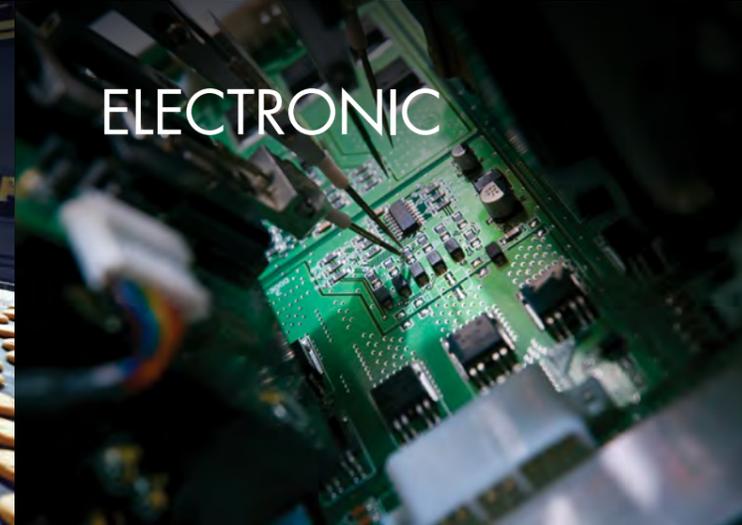

AEROSPACE

MECHANICAL HANDLING

FOOD

ELECTRONIC

ARCHITECTURE

SCIENTIFIC

AUTOMOTIVE

MEDICAL

PHARMACEUTICAL

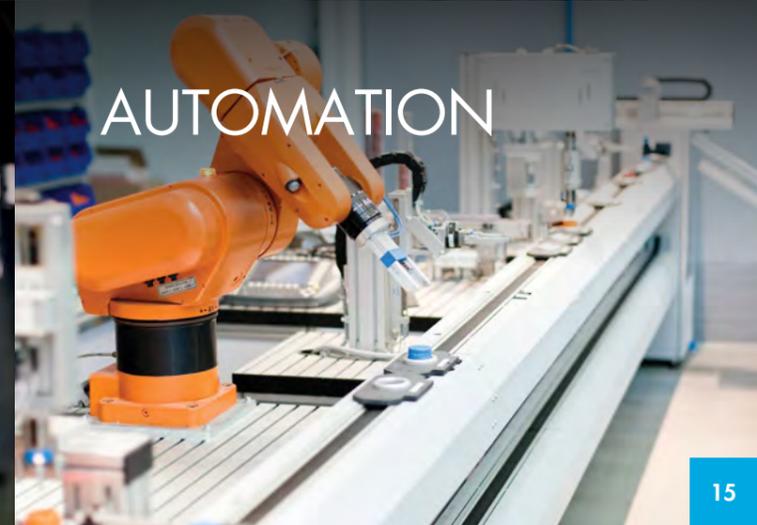

FILM AND TELEVISION

PRINTING

MACHINE TOOL

AUTOMATION

GLOBAL

We have a comprehensive network of Branch Offices and Partners around the world.

All of them can be reached here:

Hepco Branch Offices

UNITED KINGDOM & IRELAND

Lower Moor Business Park
Tiverton Way, Tiverton
EX16 6TG
England
