WORLD LEADERS IN LINEAR MOTION
THIS IS HEPCO

WE’RE PASSIONATE ABOUT LINEAR MOTION.
WE PIONEERED THE V GUIDE PRINCIPLE AND HAVE DEVELOPED IT SINCE 1969.
A FAMILY RUN INTERNATIONAL COMPANY, WE MEET THE DEMANDING NEEDS OF AUTOMATION WORLDWIDE BY COMMITTING TO OUR CORE VALUES:

EXPERTISE
Our long and successful history of manufacturing quality linear motion products provides you with the experience and support that you need.

QUALITY & PRECISION
Products designed to survive the toughest conditions, while providing exceptional and repeatable precision.

RANGE
Products to meet practically any requirement from linear to circular and heavy duty to XYZ systems.

INNOVATION
We constantly develop linear solutions for tomorrow’s applications.

SUPPORT
Our specialist applications teams provide attentive in field support focusing on your requirements.
EXPERTISE

Qualified, experienced & factory trained engineering support

Sharing our knowledge and experience...

Established in 1969

63

Sell in to 63 countries

60

Sales engineers worldwide

425 employees globally

4000

Projects a year

Over 60,000m of track produced annually

75%

of our business is export based
QUALITY & PRECISION

Products designed to survive the toughest conditions

With global recognition for innovation, we focus on manufacturing linear products that deliver precision and quality.
INNOVATION

Heritage of continued innovation in the world of linear motion

We invented the V guide and have spent the last 45 years developing and innovating...

- £3m+ plant investment in the last 3 years
- Pioneering use of materials
- Constant product development
- Creating unique ideas
- New machines and new technology
- Products with capabilities unmatched by any other manufacturer
- Rapid design software for customised products
- Highly skilled R&D team

We invented the V guide and have spent the last 45 years developing and innovating...
RANGE

We have a large range of Linear, Circular, Heavy Duty and XYZ systems as well as Actuators and Automation Solutions.

**LINEAR MOTION**
- Rack & pinion drive options
- Works without lubrication
- Works in harsh environments
- Adjustability: long life
- Vacuum & high temperature systems
- Available in stainless steel

**CIRCULAR MOTION**
- Track systems (oval or square)
- 360° rings up to Ø2000mm and beyond
- Ring segments of any angle available
- “S” bends and limitless track shapes are possible
- Gear, belt and scroll drive options

**XYZ SYSTEMS**
- Pick & place systems
- Belt & ballscrew drive options
- Heavy load capacities
- High speed & high accuracy
- Cleanroom compatible systems

**HEAVY DUTY SYSTEMS**
- Loads up to 68Kn
- Gantry systems
- Integral rack drive option
- Belt & screw drive
- Roller bearings and flat tracks
- Aluminium beam mounting options
- Low maintenance lubrication systems

Products to meet practically any requirement
Linear motion specialists focused on your application

With a customer focused approach to every application, our worldwide support teams are here to help you select the right product every time.

DESIGN ASSISTANCE

EXCELLENT AFTER SALES CUSTOMER SERVICE GLOBALLY

45 DEDICATED SALES ENGINEERS TO GUIDE YOU THROUGH THE SELECTION PROCESS

TECHNICAL BACK UP WORLDWIDE
INDUSTRY SOLUTIONS

We serve a huge range of industries around the globe. Here are some examples of just a few of them:

PACKAGING
NUCLEAR
AEROSPACE

MECHANICAL HANDLING
FOOD
ELECTRONIC
ARCHITECTURE

SCIENTIFIC
AUTOMOTIVE
MEDICAL
PHARMACEUTICAL

FILM AND TELEVISION
PRINTING
MACHINE TOOL
AUTOMATION
We have representatives in all of these countries:

**NORTH AMERICA**
- USA
- Canada
- Mexico

**SOUTH AMERICA**
- Argentina
- Brazil

**EUROPE**
- Austria
- Croatia
- Denmark
- Estonia
- Finland
- Hungary
- Italy
- Latvia
- Lithuania
- Norway
- Poland
- Portugal
- Russia
- Slovenia
- Sweden
- Switzerland
- Turkey

**ASIA**
- India
- Indonesia
- Japan
- Malaysia
- Singapore
- South Korea
- Taiwan
- Thailand
- Australia
- New Zealand

**OCEANA**
- Australia
- New Zealand

We have a comprehensive network of Branch Offices and Partners around the world.

All of them can be reached here:

We manufacture all of our V bearings in house.

**WE CONTROL THE QUALITY & DELIVERY OF OUR LINEAR SYSTEMS AND COMPONENTS**

**2 MILLION UNITS PRODUCED EACH YEAR**

**WORLD LEADING FACILITIES**

**INDUSTRY LEADING EXPERTS**

**WE CAN PROVIDE COMPLETE TURNKEY SOLUTIONS**

**SUPPLYING A FULLY INTEGRATED PACKAGE OF DRIVEN AND CONTROLLED MOTION**

**WE OFFER AN ONSITE COMMISSIONING AND INSTALLATION SERVICE**
